How to Register for Accommodations through Oregon Tech's Disability Services

To start an application through our Accommodations Information Management (AIM) system:

1. Sign in to your to TechWeb

2. Search for 'Accommodations'

You will find a tile that looks like this:

3. Click on this tile and complete the application

Please upload copies of any relevant documentation that supports your request(s). If you aren't sure what to upload and/or need a template for your providers, please see our "Documentation Policy, Guidelines, & Provider Template Form" in the right sidebar of the Disability Services homepage.

Once your application is complete, Disability Services staff will contact you to schedule your intake meeting.
