Dr. Kenton,

I am writing today in support of the explanation you have provided with regards to the Wilsonville campus Student Health Fees. As I indicated previously, I was aware that there had been confusion in the implementation of the approved increase to the fee, and the detail you provided succinctly summarized the situation.

I have discussed the matter with the Student Health Advisory Committee (SHAC), who voted unanimously to accept the proposed explanation and retroactive correction. Additionally, the students wanted to convey their appreciation of being included in this process.

Please do not hesitate to contact me if you have any additional questions or if I can assist further.

Respectfully,

Gaylyn G. Maurer, MA, LPC
