

Standing Councils, Commissions, and Committees 2024-25

Published 10/4/24

Preamble

Standing councils, commissions, and committees (CCC) are an important part of shared governance at Oregon Tech and offer the opportunity for faculty, staff, and students to assist administrators with tasks by providing input, recommending outcomes, and participating in operational decisions. In addition to committees appointed directly by the Faculty Senate and *ad hoc* committees created for special purposes, Oregon Tech recognizes a number of CCC's that provide continuous support for institutional or academic leadership. Oregon Tech is committed to diversity, equity, and inclusion in committee representation.

CCC Appointments

Two types of committee appointments are recognized:

- Appointment to a committee because of job title or position (e.g., Vice Provost on President's Council).
- Appointment for a rotating term.

Term of Service

The term of service varies according to appointment type:

- Committee members appointed because of job title or position typically serve while holding the position, dependent on the purpose for the position to serve on the committee.
- Student appointments serve for one-year renewable terms.
- Committee members appointed for rotating terms typically serve three years, unless otherwise specified within the committee description.
- Committee members appointed for rotating terms in elected positions (e.g., Faculty Senate) serve according to their elected term within the assembly.
- Committee members may be reappointed for an additional three-year term (six years total), but it is the intention of this process to encourage broad participation and allow faculty and staff to bring fresh perspectives and skills to their committee assignments. Members can be reappointed after a term off the committee.
- Appointed members have staggered terms when possible to ensure some membership continuity.
- Designees may be appointed when appropriate, provided committee continuity is retained, and an effective contribution can be made.

Reporting Line

Each CCC reports to one of the division leaders (President or Vice Presidents).

Membership

Each CCC description outlines the membership composition, which may be adjusted by the division leader or the President.

Individuals may indicate interest in committee service by completing the standing committees survey distributed annually during spring term. In addition, a request for consideration of membership on a CCC may be submitted at any time during the academic year to provostoffice@oit.edu. Note that requests for committees reporting to Faculty Senate should be made to the Faculty Senate President.

The Office of the Provost will affirm membership with appropriate division leaders or parties and notify appointees for the succeeding academic year before the start of the fall term. Membership changes during the academic year will be made as necessary.

Membership on all CCC's is subject to approval by the President.

Member Responsibilities

Membership and participation in a CCC should be regarded as a privilege and responsibility. CCC members are expected to:

1. Represent their constituency and keep them informed.
2. Solicit feedback from the constituency.
3. Provide that information to the CCC as appropriate.

Request for Removal of a CCC Member

Members who are regularly absent, or a CCC chair who is deemed inefficient and unable to organize committee business, can be removed from a CCC.

To request removal of a CCC member (non-chair):

1. The chair should submit the CCC title and member's name to provostoffice@oit.edu. The Provost's Office will follow up with the chair and the appropriate division leader and attempt to find a replacement.

To request removal of a CCC chair:

- The committee members should submit the CCC title and chair's name to provostoffice@oit.edu. The Provost's Office will follow up with the appropriate division leader and attempt to find a replacement.

Year-End Reporting

Committee chairs/co-chairs are required to submit a brief summary report at the end of spring term to provostoffice@oit.edu. The report template is located on the [CCC web page](#).

The Office of the Provost will collect and distribute the reports to the President and appropriate division leaders.

Membership Composition

The committee membership is composed of the Title IX Coordinator/Executive Director of DICE (chair); representatives of various departments on both campuses; faculty; students; and University General Counsel (*ex officio*).

Committee Responsibilities

1. Full committee -- meet at least quarterly and when necessary.
2. Subcommittees -- meet monthly, except during months when the full committee meets.
3. Be a collaborative and multi-disciplinary team that advances a culture of respect, responsibility, and safety at Oregon Tech.
4. Provide the Title IX coordinator with recommendations on promoting a positive campus culture and in identifying and deploying effective measures to prevent and address sexual misconduct, including sexual assault, sexual harassment, domestic violence, intimate partner violence, dating violence, and stalking.
5. Offer recommendations and guidance to the Title IX coordinator to inform policy and procedures, identify services, and ensure positive compliance with Title IX and other laws, regulations, and policies related to sexual and gender-based issues.
6. Discuss ways to advance systemic change and overall improvements to the campus climate relating to Title IX protections, rights, and responsibilities.
7. Assist in the development and implementation of an overarching compliance plan consistent with both the legal obligations of Title IX and Oregon Tech's strategic plan and initiatives.
8. Assist the Title IX coordinator and Deputy coordinators in monitoring changes in Title IX laws and regulations and bench-marking with other institutions on the most effective and efficient ways to assure Oregon Tech implements sound Title IX practices, provides effective education and training, and adopts effective outreach and prevention efforts.
9. Collaborate with other committees and institutional partners in coordinating Title IX efforts and related efforts (*e.g.*, Clery Act, the Campus SaVE Act, and Oregon House Bill 3415 compliance).
10. Create subcommittees focusing on the following core components of Oregon Tech's overall Title IX Compliance Program: (a) compliance plan; (b) related policies and procedures; (c) effective education and training; and (d) proactive outreach and prevention efforts and initiatives.
11. Develop a consistent and effective reporting system to the Title IX coordinator, the President, other members of Oregon Tech's senior leadership, and, when requested or appropriate, the University Board of Trustees.

Standing Subcommittees

The following are the standing subcommittees of the Title IX Steering Committee. Additional *ad hoc* and working committees may be needed from time to time and will consist of volunteers from the committee and external stakeholders, when appropriate or necessary.

Compliance Plan: Charged with assisting the Title IX coordinator in the drafting and adoption of a written annual or multi-year compliance plan detailing goals and objectives, self-auditing, bench-marking, etc.

Policies and Procedures: Charged with reviewing or updating written policies and procedures, as needed. For procedures that end up embedded in collective bargaining agreements, the chair would serve as a resource for the union negotiating team, when negotiations are active.

Education and Training: Charged with developing, updating, and assisting in the scheduling and delivering of training and education, including online resources, live, and, as applicable, online training, for faculty, staff, and students.

Outreach and Prevention: Charged with developing, updating, and assisting in the delivery of outreach and prevention efforts for faculty, staff, and students.

Tuition Recommendation Committee

Reporting Line

The Tuition Recommendation Committee reports to the President.

Membership Composition

The committee membership is composed of six students representing both campuses and appointed by the ASOIT president(s), two of which represent ASOIT and two of which represent historically underserved students of the University, as defined by the University; two faculty, one of which is the Fiscal Operations Advisory Council (FOAC) chair; and at least two administrators. Any changes to the TRC structure required by ORS 352.102, subsequent controlling statutes or Board Policy may be made without notification. The President shall designate one member to chair the TRC.

Committee Responsibilities

1. The Tuition Recommendation Committee (TRC) is responsible for recommending the tuition and mandatory fee rates to the President, who must in turn report and recommend mandatory tuition and fee rates to the Board of Trustees in accordance with ORS 352. 102. The Board of Trustees shall request that the President transmit to the Board the joint tuition recommendation of the President and the recognized student government.
2. Before making any recommendation to increase tuition and mandatory fees, but especially when the proposed increase is more than five percent annually, the TRC must document its consideration of the impact on students and the necessity of the increase in achieving the mission of the University. The TRC shall provide meaningful opportunities for members of the student government and students at large to participate in the process and deliberations.
3. The TRC will meet at least twice during January-February. Its meetings shall be open to the public and broad notification of the meetings shall be made to the University community. The TRC will consider the guidelines provided by the Board, information provided by the Administration, and such other matters as deemed appropriate.

Guiding Principles

- Consider long-term factors when recommending the single year decisions (important to have a forward looking vision)
- Recognize the importance of affordability for students
- Tuition levels should be developed using data and information, including internal budget, comparator institutions, and external cost indices.
- Ensure we maintain the current service level, quality and support that Oregon Tech provides to students.

Process Framework

- Communicate openly and transparently with all stakeholders at an appropriate level of detail
- The committee will utilize data and information throughout the process
- Communicate respectfully and ask questions

Accreditation Committee

Reporting Line

The Accreditation Committee reports to the Provost.

Membership Composition

The committee is composed of members selected from faculty and staff with a strong preference for experience in leadership, assessment, and accreditation; ability to influence and provide input into creating processes and procedures by which the measures and outcomes listed in the next section can contribute to institutional decision-making; executive-level staff in areas that impact student achievement; and representation of perspectives from both academic leadership and faculty. If the Accreditation Liaison Officer is “double-listed” in the committee membership below, the Provost may appoint a designee in their stead.

Responsible parties for specific appointments or recommendations:

- President – Accreditation Liaison Officer (chair)
- College Deans – college faculty
- Provost and Accreditation Liaison Officer – at-large faculty

Committee Responsibilities

1. Advisory body to the Provost.
2. Provide guidance on university accreditation issues and assist as needed with programmatic accreditation.
3. Represent faculty and administration in accreditation activities and guide the development and implementation of the university’s institutional effectiveness planning as required by the Northwest Commission on Colleges and Universities’ (NWCCU) Accreditation Standards.
4. Work with campus stakeholders to identify and use ongoing measures of institutional effectiveness and student achievement, the development and implementation of improvement plans, and the documentation of these processes as required for NWCCU accreditation.

Traffic Commission Subcommittees

Traffic Appeals Board

The Parking and Traffic Commission will designate members to serve on the Parking and Traffic Appeals Board (Board).

Membership Composition

Membership is composed of one faculty member, one staff member, and one ASOIT officer. Members are required to participate at least once on the Board during their Parking and Traffic Commission tenure.

Subcommittee Responsibilities

1. Render decisions on appealed citations based on State of Oregon statutes and Oregon Tech vehicle regulations.
2. Each member is required to participate at least one time on the appeals board during their Traffic Commission tenure.

Vehicle Accident Review Committee

The Vehicle Accident Review Committee (VARC) is a subcommittee of the Parking and Traffic Commission.

Membership Composition

The VARC, when convened by the Director of Campus Safety, is composed of selected members of the Parking and Traffic Commission and anyone else necessary to complete the investigation.

Subcommittee Responsibilities

1. Review all accidents involving state vehicles owned by Oregon Tech or driven by its employees.
2. Make a determination as to the cause of each accident, and whether any further action should be recommended.

Radiation Safety Committee

Reporting Line

The Radiation Safety Committee reports to the Vice President of Finance & Administration through the Executive Director of Resilience, Emergency Management and Safety (REMS).

Membership Composition

The committee is composed of the Radiation Safety Officer (RSO); Assistant Radiation Safety Officer(s) (ARSO); Dean of HAS; Executive Director of REMS; a Risk Management representative; an Instrument Technologist; and faculty members one of which may serve as the Chair.

Responsible parties for specific appointments or recommendations:

- Vice President of Finance & Administration

Committee Responsibilities

1. Be familiar with related Oregon rules, the terms of the license and information submitted in support of the request for the license and its amendments.
2. Establish a program to ensure that all individuals whose duties may require them to work in the vicinity of radiation or radioactive material are properly instructed as required by the Oregon Administrative Rules (OAR) 333-111-0010, part of the Oregon rules for controlling radiation.
3. Review the training and experience of all individuals who use or handle radioactive materials (RAM) and determine that their qualifications are sufficient to enable them to perform their duties safely and in accordance with the rules and conditions of the license.
4. Review all requests for authorization to use radiation or radioactive materials within the university on the basis of safety and approve or deny the requests based on the limitations of the rules, the license, and the “As Low As Reasonably Achievable” (ALARA) principle.
5. Prescribe special conditions that will be required during a proposed method of use of radioactive material.
6. Review quarterly the summary report of the occupational radiation exposure records of all personnel.
7. Review annually the summary report of the entire Radiation Safety Program (RSP) provided by the RSO to determine that all activities are conducted safely, in accordance with Oregon rules and the conditions of the license, and consistent with the ALARA program and philosophy. The review must include an examination of records, reports from the RSO or ARSO, results of inspections, written radiation safety manual and procedures and the adequacy of the management controls system.
8. Recommend remedial action to correct any deficiencies identified in the RSP.
9. Maintain written minutes of all committee meetings, including members in attendance, discussions, actions, recommendations and decisions.
10. Ensure that the radioactive material license is amended when necessary.
11. Support the RSO in enforcing the rules and procedures specified by the license and procedures.

Safety Commission

Reporting Line

The Safety Commission reports to the Vice President of Finance & Administration through the Executive Director for Resilience, Emergency Management and Safety.

Membership Composition

The Safety Commission is comprised of the Vice President of Student Affairs or designee; the Associate Vice President of Human Resources or designee, the Director of Facilities Services or designee; the Associate Director of Campus Safety and Emergency Preparedness or designee; the Director of Integrated Student Health Center or designee; the College Union Manager or designee and a representative from PMC and OMIC. Academic members will include one faculty member from each of the two colleges and an ASOIT student representative from each campus. Other members may include representatives from areas such as custodial, dining services, risk management, support services, trades and instrument technicians. As recommended by Oregon OSHA, employee-selected (or volunteer) members may serve in addition to appointed members. PMC and OMIC members will serve as a site-specific subcommittee to the university Safety Commission.

Commission Responsibilities

1. Engage members of the campus community in a collaborative effort to promote health and safety in the workplace.
2. Assist the university in mitigating health and safety-related issues and help identify recommendations for change.
3. Reduce or eliminate on-the-job accidents and safety-related risks by using every reasonable precaution available.
4. Meet on a monthly basis throughout the calendar year, as mandated by Oregon OSHA rules.
5. Receive and manage university-wide health and safety suggestions, reports of safety hazards, and workplace safety concerns.
6. Review accident data, quarterly inspections, reports of safety incidents and workplace injuries for the Klamath Falls campus, the Portland-Metro campus (PMC), Oregon Manufacturing Innovation Center (OMIC) and auxiliary sites to verify its efforts to mitigate safety hazards and risks university wide.
7. Evaluate and recommend health and safety policies and procedural improvements to the President of Oregon Tech through the Vice President of Finance and Administration.

Guiding Principles

- Represent the university's continuous commitment to workplace health and safety
- Hold all employees accountable for the health and safety for the campus community
- Utilize approved methods for identifying and correcting health and safety hazards
- Summarize efforts to enhance workplace health and safety through the completion of an annual written review.

Governance

The Vice President of Finance & Administration is an ex-officio, non-voting member of the Safety Commission, who may attend meetings to facilitate receipt of health and safety recommendations. The Executive Director for Resilience, Emergency Management and Safety or designee shall serve as the standing Chair of the Safety Commission, and the Assistant Director for Environmental Health and Safety or designated committee member shall serve as the Deputy Chair of the Safety Commission.
