SPE 321 - Small Group and Team Communication	3		3
WRI 327 - Advanced Technical Writing	3		3
TOTAL CREDITS	181	60	121
NOTES:			
1. Total degree program = 120 semester hours (SH) of which no more than 81 semester hours are required to be taken at Oregon Tech. Oregon Tech uses quarter hours (QH) instead of SH (1 SH = 1.5 QH). This degree program is 181 QH with 60 QH applied from CCAF degree and 121 QH to be taken at Oregon Tech.			
2. Actual CCAF transfer credit may differ from this plan depending on the Gen Ed and Elective courses taken to earn the CCAF Associate of Applied Science degree. The math/science CCAF general education course will replace either the college algebra or lab science requirement depending on the course taken.			
3. Recommended CCAF Gen Ed courses to maximize transfer credit and maximize opportunity for success in program: Social Science requirement - Micro- or Macro-Economics and Math requirement - choose a Lab Science or College Algebra.			
4. Additional credit may be awarded for courses taken in addition to the CCAF degree program (courses from regionally-accredited colleges or universities, CLEP, etc.) in accordance with Oregon Tech transfer credit policy.
